

Cree Nation of Chisasibi

Chisasibi (Quebec)

Public Notice

This is to inform the community that effective immediately, there will be no more perpendicular parking right in front of the commercial centre. People are encouraged to parallel park, due to the size of the parking space and for safety reasons. The area was originally designated as a drop off zone or Bus Stop/Drop off.

Drivers will be warned, if they do not parallel park, and will be ticketed if they continue to park perpendicularly in that specific area.

Thank you for your cooperation.
