

STATUS UPDATE | COVID-19  
CONTINUATION OF ESSENTIAL SERVICES  
MARCH 23<sup>rd</sup>, 2020

In the context of the COVID-19 pandemic and following the Quebec government's announcement to close all non-essential businesses until April 13, the SDBJ wished to inform you of the changes that this measure will have on the activities of the company.

**Relais routier du km 381**

The services offered at the relais routier du km 381 are considered essential and are continuing. The dining room remains closed until further notice and the food supply will be reduced and offered only for consumption outside of the cafeteria. The other health measures announced earlier remain in place.

**La Grande-Rivière Airport**

The services offered by the SDBJ at La Grande-Rivière Airport are considered essential and are continuing. The health measures announced earlier remain in place.

**Matagami aerodrome**

The services offered by the SDBJ at Matagami aerodrome are considered essential and are continuing. Cleaning and disinfection measures have been strengthened.

**Roads division**

The activities of our Roads Division are considered essential and are continuing. Snow removal from the road network under the responsibility of the SDBJ continues without modification.

**Office workers**

All of the company's administrative offices are now closed, including those of Matagami, Chibougamau and Radisson. All office staff are teleworking, without exception. Our staff can be reached by email. Phone calls will be returned as soon as possible.
