9.(6) The CNC must dismiss a member's complaint if,

- (a) the complaint is trivial, frivolous or was made in bad faith, or

9.(7) The decision of the CNC must be rendered within 30 days of receipt of the applicant's response. The CNC may accept or refuse the complaint, recommend mediation to resolve the dispute or impose conditions on the applicant.

9.(15) The Executive Committee may ratify the decision under review, modify it or infirm it. The decision must be made by resolution and written notice of same given to the applicant within 10 days of its adoption.

Where the Executive Committee decision confirms the refusal of a request to access Category IA land or to reside in Chisasibi or the revocation of permission to do so, or confirms or imposes conditions on the applicant permitted to access Category IA land or reside in Chisasibi, it must also set out the delays in which the applicant must comply with that decision.
