# PUBLIC NOTICE

**This is a message for those who have not yet filed the claims for the Day School payment or those who will miss the deadline of July 13, 2022.**

The Day School Settlement site mentions a possible extension period of six (6) months to file a claim – extending the deadline to January 13, 2023 (<https://indiandayschools.com/en/news/june-13-2022-extension-of-claims-process/>).

About 150,000 people have filed their claims, which exceeds the third party actuarial estimates of 120,000 to 140,000 claims. **That said, it was anticipated that some people will miss the claims deadline. The Settlement Agreement therefore provides a possible extension period of six (6) months – extending the deadline to January 13, 2023.** This date is three (3) years from the start of the claims process and four (4) years from the publication of the court approved Settlement Agreement.

The Claims Administrator will release the Extension Request Form on or before July 13, 2022. Although we anticipate flexibility in processing an Extension Request Form, Class Members will need to identify a reason as to why they have been unable to file a claim by the deadline. The Extension Request Form will be available on [indiandayschools.com](https://indiandayschools.com) and can be mailed/emailed by contacting Class Counsel at 1.844.539.3815 or [dayschools@gowlingwlg.com](mailto:dayschools@gowlingwlg.com). Class Counsel remains available to assist, free of charge, during the extension period.

The Extension Request Form does not yet appear to be available at the moment but should be on the website by July 13, 2022.

In the interim, Class Members continue to be urged to file claims before the July 13, 2022 deadline.
