PUBLIC NOTICE

LANDSLIDE WARNING

The Cree Nation of Chisasibi Public Safety Department wishes to warn community members and residents of a potential landslide near the barge crossing to Fort George.

Earlier today, our team was surveying the skidoo trails alongside the River La Grande and discovered an area with a down-slope soil movement.

We ask everyone to avoid going around this area and to report any other landslide or severe erosion near paths and trails.

We thank you for your usual cooperation and understanding.

Stay safe!
